I don't know about you, but this is one winter I am glad to see go. It's wonderful to have green grass, flowing streams and flowers that are budding beautifully. However, it's hard sometimes to enjoy the beautiful weather when you are hungry or don't have enough money to put food on the table. The WELS

Apple Valley Food Pantry has served hundreds of families over the years, making sure that they don't go hungry. But remember, without your help, they cannot provide the nourishment that so many families need. Summer is a time when we like to get out and enjoy the fresh air and have fun, and this year will be no exception. However, as you go to the grocery store to pick up all those goodies for your cookout - please remember to purchase a few items for the food pantry. People still need to eat during the summer.

Collections are taken to the Pantry on the third Sunday of the month. Please check your newsletter or church bulletin for the particular items that are needed each month. Thanks for your support.
